EM Actuators are guaranteed for a period of 2 (two) years from the invoice date against defects in materials and manufacturing. EM Actuators are guaranteed for a period of 2 (two) years from the invoice date against defects in materials and manufacturing. FM Actuators are guaranteed for a period of 3 (three) years from the invoice date against defects in materials and manufacturing. Other STG products available from AFI are guaranteed for a period of 2 (two) years from the invoice date against defects in materials and manufacturing. Products must be installed and maintained according to seller recommendations, or the warranty is void. These warranty terms are guaranteed by STG Beikirch GmbH & Co. KG, Germany. If returned products are deemed defective, items will be repaired or replaced free of charge, at manufacturer's option, if found to be below STG quality standards. Liability of Automated Fenestration Inc (AFI), Hawthorne, CA, as the seller for any defective product is limited to the replacement or credit of AFI product at original cost, and shall not include damages of any kind, whether incidental, consequential or otherwise. Any claim and return must be made in accord with AFI Terms & Conditions.

WARRANTIES FOR AFI UL CONTROL PANELS

Manufacturing Warranty: AFI UL Control Panels for use with AFI Actuator systems are warranted for three (3) years from invoice date against defects in materials and manufacturing under normal installation and use, and following all recommendations given. **Recommendations for AFI Actuators & Controls:** AFI only recommends UL compliant systems. Read AFI data sheets & installation guides before specifying project details. Project specifications must comply with electric & building codes—for wire gauge, wire connections and run distance, conduits, junction boxes—and must be arranged by the project electrical contractors. Do not add non-essential components or disconnect internal wires or components. Do not tamper with AFI UL Control Panels. If parts are modified, altered or added the warranty is void. These warranty terms are guaranteed by Automated Fenestration Inc., Hawthorne, CA

WARRANTIES FOR D+H

Manufacturing Warranty: 2 year guarantee for all D+H products from date of verified handing over of the system up to maximum 3 years after date of delivery. D+H guarantee is expired, with connection of D+H components with external systems or with mixing of D+H products with parts other than D+H or Automated Fenestration Inc. (AFI).

WARRANTY FOR UCS (Ultraflex Control Systems)

Products include: motorized actuators & accessories including vega and Quasar product families. UCS Products are guaranteed for a period of 2 (two) years from the manufacture date, against defects in materials and manufacturing. These warranty terms are guaranteed by Ultraflex Control Systems, Italy. Alleged defective products returned, freight prepaid, within the above said term, will be repaired or replaced free of charge, at manufacturer's option, if found effectively below UCS quality standards. This guarantee does not cover other claims for direct or indirect damages. In particular, UCS declines liability and excludes guarantee (except as stated above) if improper installation or misuse results in UCS product failure. Also, the guarantee is void if UCS products are not used according to the following recommendations:

UCS Products are manufactured to the highest standards and are free from workmanship and material defects; their use assures top-level performance of the installations in which they are made operational. On the other hand, UCS cannot guarantee the function of complete installations we do not entirely manufacture; but we can give recommendations, which in some countries may already have been passed into law. a) The installation and/or equipment, and in particular the products sold by UCS, should be accessible to qualified people only, preventing unwilling or willful manipulation and tampering by third parties. b) Installations and/or equipment using UCS products must be carried out by qualified companies, i.e. licensed electricians, following provided installation and maintenance instructions. c) Installation and/or equipment must be carefully tested after installation and checked every twelve months or according to existing local laws. Testing and maintenance must be done by qualified persons.

This guarantee does not cover UCS products if installed with non-original UCS components or used with accessories such as control panels, power supplies, switches or brackets not recommended by UCS. Liability of Automated Fenestration Inc (AFI), Hawthorne, CA, as the seller for any defective product is limited to the replacement or credit of AFI product at original cost, and shall not include damages of any kind, whether incidental, consequential or otherwise. Any claim and return must be made in accord with AFI Terms & Conditions.
