

# ARTech Multipoint

## For casement windows

### AGB ARTech Advantages

- ARTech modular gears are usable interchangeably for many window designs: tilt turn, turn-only, awnings, hoppers or sidelites
- Activeage silver finish is salt-spray tested to 2000+ hours corrosion resistance
- Modular drive rods are mix and match with gear boxes in multiple backsets, for simple and flexible inventory
- ARTech gear for French pairs connects directly to the active sash, with no astragal needed
- Add AGB's stay brake hold-open device to ARTech gears at top or bottom of sash
- AGB window multipoint bottom terminals have a reversing gear
- Manufactured in Italy, in ISO 9001 quality controlled factory
- Warranties: 10-year AGB for mechanical, 5-year FFI against ARTech Activeage corrosion failure

### AGB ARTech Characteristics

- Sash types: wood, steel, fiberglass, or PVC/vinyl sashes; single or double (French)
- For in-swing or out-swing windows up to 8'10" tall
- Gears pair with shootbolts or corner drives with mushroom cams
- Backsets: 15, 25, 30, 35, 40, 45, 50mm
- Cams are 3-way adjustable (vertical  $\pm 7$ -10.5mm, pressure  $\pm 1$ mm, air gap 9.5-13.5mm) and also removable
- Maximum cam adjustment to 13.5mm when using steel open bottom strike keeps
- Air gap for cam strikes: 4mm flush-mount or 12mm surface-mount
- Function: one handle activates multiple lock points
- Hinges: FFI has many options to recommend! Please ask for details.
- Compatible handles: casement or DK handles with 7mm spindles

**Activeage**  
**Active hi-protection finish**

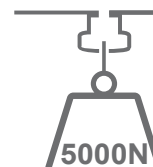

High corrosion resistance including high salt or high humidity environments.

Residential

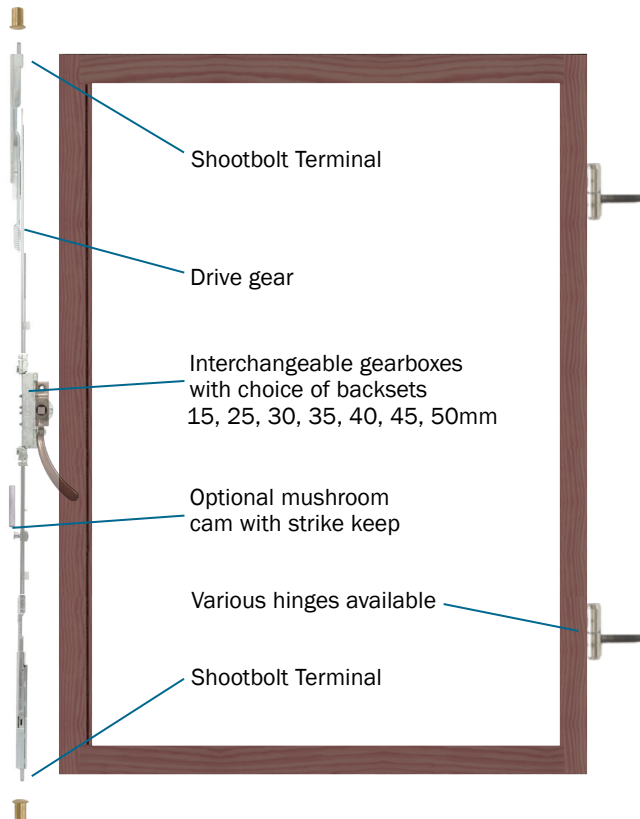

Commercial

Mushroom cams  
5000N resistance to breaking

### Extensions

Add multiple extensions & cut to desired height

### Corner Drives

For high security, and French window solutions

### Poseidon TT hook lock points

For flush window designs, highest security, and impact testing

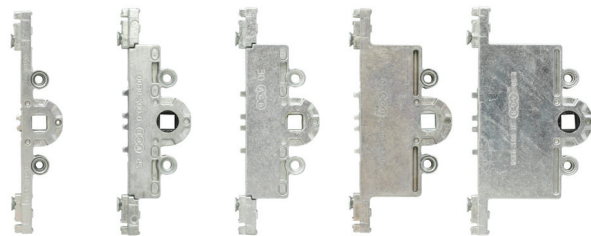

### Drive Rod Espagnolettes

Cutttable for variable handle height; cams are removable

### Monobloc Gearbox

Interchangeable gearboxes for use with ARTech Drive Rod

### Shootbolt Terminals

For Turn-only casement sashes, flush sashes

### Brass Thimble Strike Keeps

For upper/lower shootbolts

### Mushroom Cams

For high extra strength and security

### Handle Options

Many handle options available for positive stop action. For wood, aluminum, aluminum clad wood and PVC sashes.
