

# The First Annual USGlass Magazine BIG Book of Lists

The next 6 pages represent our first year at ranking the glass industry's biggest players, from largest to smallest, in a variety of categories. The lists were compiled based on information provided by the companies (though some were shy about releasing it), as well as industry reports and statistics, field research and interviews conducted by USGlass staff members.

**BIG Book of Lists**  
*continued*

We plan to make this list an annual feature; one that will serve as a resource and guide to and for the industry. We also expect it to grow tremendously. If you would like your company

considered for the 2006 list visit [www.glass.com/onlyhere](http://www.glass.com/onlyhere) and fill out the online form. You may e-mail it to [echilcoat@glass.com](mailto:echilcoat@glass.com) or fax to 540/72-5687.
