

# Premium Adjustable Concealed Hinges For Glass Doors

*In high grade stainless steel,  
because your project deserves the best.*

2DX-100-SST

2DX-100-HO-SST  
Hold-Open

2DX-100-SC100-SST  
Self-Closing

Adjustable with Allen key

Self-closing actuator with speed adjustment

Hold-open with angle adjustment

## Characteristics - Concealed Hinges

- Crafted in 304 grade Stainless Steel
- For glass doors up to 100kg (220 lbs)
- 3D adjustments for height, compression (to frame), and side (to plumb the door)
- Hold-open & Self-Closing function options

## Advantages

- Premium quality, precision & durability
- Sound-insulating hinges
- Investment cast manufacturing with sustainable methods
- Anti-twist and anti-pull construction prevents sagging and twisting during adjustments
- Self-closing hinge option eliminates need for surface-mount door closer (less hardware and cleaner look)
- How can higher cost stainless steel hinges save you money? Higher quality hinges prevent repairs and replacement due to sagging, bending, warping and cracking under load; with stainless hinges less hinges per door may be possible
- Stocked in USA
- Warranty against mechanical defects per application: 2 years commercial, 5 years residential
