

FASTrack Drainage System

For Lift Slide & Multi-Slide Doors

For environments which require water drainage solutions.

Available in Clear anodized (Silver) and Dark Bronze anodized (Black)

FASTrack Drainage System

Functional Fenestration Inc is proud to offer the aluminum FASTrack drainage system. A flexible solution to water diversion from your sliding door opening.

Exclusive features only from FFI

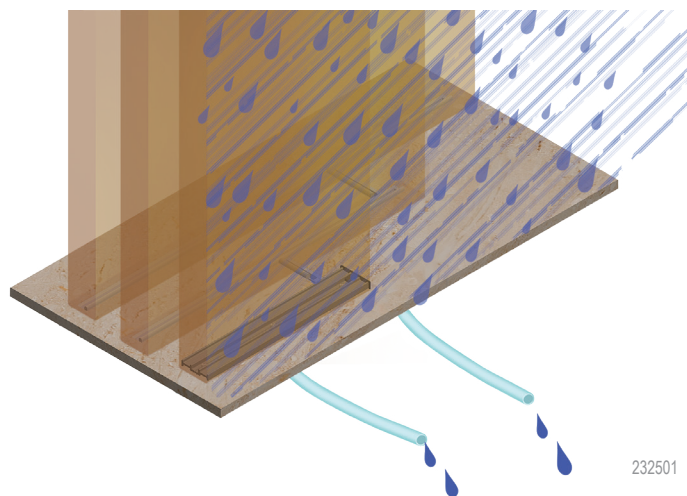

- Optional Interlock Drainage Kit (Patent Pending)
- Fast and easy installation of multiple sliding door floor tracks
- Adaptable to variable field conditions using modular parts
- High durability and corrosion resistance
- Adjustable height for laser level installations
- Multiple side and bottom ports for 1/2" ID tubing for fast drainage

Applications

- For single or multi-panel doors
- Can be configured for pocket door
- Corner applications are easy using integral screw chase
- Use with any compatible doors up to their stated weight capacity
- 5mm track diameter

Features

- Reticulated foam filter keeps debris out of drainage lines
- One-year FFI warranty against manufacturing defects on all FASTrack components
- Aluminum components: Class I Anodized and 1-year warranty against corrosion failure

Part

Description

SL406.252.01	Drain channel infill , Clear (Silver). 252" length
SL406.252.710	Drain channel infill , Dark Bronze (Black). 252" length
SL408.144.628	Track blade/drain , Clear (Silver). 144" length
SL408.144.710	Track blade/drain , Dark Bronze (Black). 144" length
SL408.252.628	Track blade/drain , Clear (Silver). 252" length
SL408.252.710	Track blade/drain , Dark Bronze (Black). 252" length
SL406.FOAM.01	Debris filter , 118" length
SL406.FT.10	Drain hose connector . ½" ID tube, ¼ NPT. 10 pack
SL406.FT.11	Elbow drain hose connector . ½" ID tube, ¼ NPT. 10 pack
SL407.DR.050	Drain hose , ½"ID. 50ft roll
SL406.FT.14	Fitting Type T , ½" ID 10 pack
SL406.FT.13	Elbow Fitting , ½" ID 10 pack
SL406.FT.12	Straight Fitting , ½" ID 10 pack
SL406.PLUG.10	Drain insert/plug , 10 pack
SL401.96.01	FASTrack bridge aluminum, 8ft length
SL403-FCLIP25	FASTrack bridge clips aluminum, 25-pack
SL403-TCLIP50	FASTrack clips aluminum, 50-pack
G00760.00.04	Fixed panel support Plastic, 118" length
G00760.00.00	End cap for fixed panel support
SLT-CSCREW50	FASTrack clip screws , SST 50-pack
SLT-TBOLT25	FASTrack track bolts , SST 25-pack
T-NUTSQ50	Square nuts Silver (clear) anodized 50-pack

Optional Interlock Drainage Kit

Part

Description

SL405.02.KIT	Interlock Drainage Kit Clear (Silver)
SL405.07.KIT	Interlock Drainage Kit Dark Bronze (Black)

Tools

Part

Description

SL406.TP.01	Tap - ¼-18 NPT
SL406.DB.02	Drill Bit ⅜" steel 118 degree point
