

FFI Top Flight Hardware

For Top-Hung Barn Doors

In Marine-Grade Stainless Steel

 **FUNCTIONAL
FENESTRATION INC.**

Self-cleaning.
Self-plumbing systems
for long-lasting
smooth operation.

316-L "Marine Grade" stainless steel, compared to 304 grade stainless steel, has greater pitting corrosion resistance in salt water environments.

Applications

Residential, condominiums, hotels & resorts:

Barn doors, pocket doors, exterior storm shutters, interior room dividers, screens, and more.

Commercial, institutional & industrial:

Corrosive and coastal environments, marinas, yachts, animal enclosures, server windows, factories, and more.

Characteristics - Best Materials

- 316-L marine-grade stainless steel track and carriages
- Highly durable Delrin wheels
- 440C stainless steel ball bearings

Advantages

- Track and carriage system is self-cleaning and self-plumbing
- Quiet running wheels
- Carriage wheels have ball bearings for endurance and smooth operation
- Medium and Heavy carriage wheels are all-wheel drive
- Track is Made in USA
- Top Flight hardware now in stock!

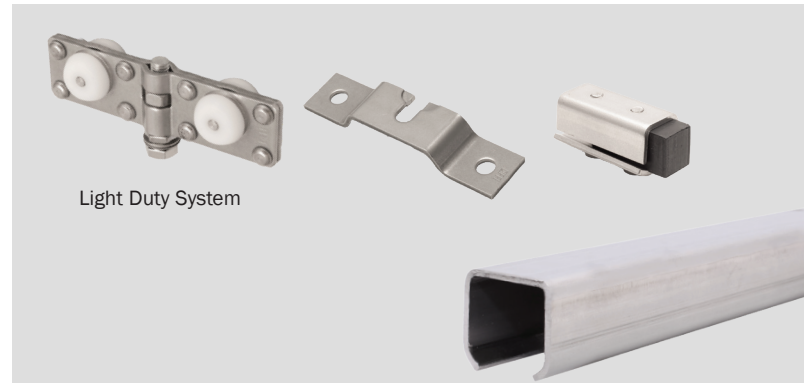

FFI Top Flight Stainless Steel Hardware Systems; Quiet, Durable, Reliable

Light Duty	For Doors up to 165lbs	
Items	Description	Material
TH-LIT-C	Carriage with Delrin wheels	316-L SST
TH-LIT-B	Top-mount carriage bracket	316-L SST
